SoloVenom isn't just music publishing; it's the ultimate bridge between artists and the stories they help bring to life.

# YOUR CHOICE

## OUR IMPLEMENTATION

### IDENTIFYING YOUR OBJECTIVES

At SoloVenom, audio delivery is quick, efficient, and effortless. Browse our carefully curated library of royalty-free tracks, select the perfect fit, and download it immediately in your desired broadcast standard.

#### ROCK

From 60's, 70's, 80's and beyond, our Rock Artists really do know how to create those vibes of love songs, fast-paced drives and everything in between.

### TARGET GENRES

#### METAL

When you think about Horror Films, its a whole genre in itself. Whatever your desired tempo, our Metal artists will surely thrash out your tastebuds.

#### POP

Your every day chart topping sounds right from the heart of the SoloVenom catalogue. Your project will definitely get a positive Hit of catchy instrumentation.

#### ELECTRONIC

Variety is what this genre is about. From Drum n Bass to Dubstep to Trance, House, Downtempo and many more. Your project deserves the very best bangers on offer here at SoloVenom.

#### AMBIENT

Ambient can vary greatly and also include Classical instruments. A sun setting or a crescendo of chaos may be very well-suited to your project. An atmosphere or build-up or 2 will take your project to new heights.
